During this time period, the Monitor approved six requests for extensions.
- Backlog cases are administrative investigations and critical incidents where: (1) required investigative actions are still pending and the investigations have not been completed in accordance with the timelines established in Paragraph 204; and (2) an extension has not been granted as per Paragraph 365. An investigation is considered complete when all investigative actions have been completed and the PSB commander has signed off in concurrence. The date on which the PSB Commander approves the investigation is the date the investigation is no longer counted as part of the backlog, irrespective of the findings.
- The total PSB backlog decreased by 113 investigations, or 5.85%, during this reporting period.
